Making one person in every family digitally literate is one of the integral components of the Prime Minister's vision of “Digital India”.

Digital Literacy Mission has been initiated with the vision to empower at least one person per household with crucial digital literacy skills by 2030.

- This is initiated under Digital Literacy Mission.
- Around 1000 Rural Students per Centre will be trained per year.
- Age group between 16 and above years.
- There is no gender bar in this program.
- The students are trained on basics of computers such as Computer Operations, MS Office, Gmail Account Creation, Voice Communication etc,
- Students are also trained on online banking.

WCS is running 7 Digital Literacy centres in Ramanagara and Mysore Districts in Karnataka
