

# Skill Enhancement Programme For The Textile Processors And Weavers At Telangana

- WCS in collaboration with PRDIS has initiated the Skill Enhancement Programme for the Textiles Processing and Weavers Association in Karimnagar District, Telangana state, covering more than 2,000 beneficiaries
- Due to inherent processing techniques, these workers were not able to move to the next level of dyeing and yarn making processes.
- Both WCS and PRDIS joined hands in upgrading these traditional workforce with modern techniques and exposure to trendy markets through continuous design thinking workshops and exposure visits.
